

Hello car friends,

The Delaware Valley Region of the Classic Car Club of America invites you to join us for a lovely, long weekend in **Cape May, NJ** on **Sept 24- 27, 2009** (Thursday afternoon until Sunday morning). We used to have CCCA weekend events there during the 60's and 70's, with people coming from as far as Connecticut and Virginia, and many having such fond memories of it that they've requested we do it again!

We have been lucky to find a place with not only an **ocean view**, but a huge parking lot for our cars and trailers. The **Atlas Inn** also has a restaurant on premises, where we'll have breakfast each day (included with room). They also have a pool, and our hospitality suite opens onto a large ocean view deck.

Cape May is known for its **beautiful and historic Victorian homes**, beautiful beaches, and other natural attractions. And September is usually the best time of year to be there when the angle of the sun makes the water sparkle like diamonds on top of the waves and the **water is still warm for bathing**. Since our meet is after Labor Day, the beach is free, and the summer crowds gone. We'll enjoy a long weekend with many wonderful organized activities, but plenty of free time to shop or relax on the beach in front of the Inn.

We hope that you'll join us for what promises to be a wonderful happening! Take a good look at all the activities and events we've planned (**many are included with your room at the Inn or in your registration fee**).

We know it's a busy time of year, but it's still two weeks ahead of Hershey. Mark your calendar **now** and get your reservation in by **September 7th!!**

We look forward to seeing you!

Howard and Gail Schaevitz

Take a good look at the attached information and make plans to attend the event! Information will also be posted shortly on the DVR CCCA website as well! www.dvrccca.org
